To become a member, you must create an account with our host site, Meetup.com. Once you join the Meetup network, you'll have access to lots of different special interest groups in the area. Of course, we like to think we're the best! 😊

**A few notes about events
and group sizes:**

As you look at our calendar, you will notice many of our events are full. We try to accommodate as many Trailblazers as possible, but we often limit group sizes due to parking and safety concerns, and also to minimize our impact on the environment.

If a waiting list is available, please don't hesitate to sign up, as spaces often open up as people's plans change. You will be notified via email when a space becomes available.

For many events we collect a modest fee to help pay for the website and other group expenses.
